PETITION IN RESPONSE TO NOTICE OF OMITTED ITEM(S)

Asst. Commissioner for Patents

Sir:

CERTIFICATE OF MAILING (37 CFR 1.8)

Date of Deposit with U.S. Postal Service is November 6, 2001. I hereby certify that this paper is being deposited with the United States Postal Service as first class mail under 37 CFR 1.8 on the date indicated above and is addressed to Assistant Commissioner for Patents, Washington, D.C. 20231.

In response to the Notice of Omitted Item(s) in a Nonprovisional Application mailed October 1, 2001, Applicants contend that the item referenced therein as being omitted, i.e., Figure 1, was in fact included on sheet 1/5 of the drawings deposited in the U.S. Patent and Trademark Office with the original application papers on August 28, 2001. Therefore, Applicants believe this application is entitled to the original filing date, and reconsideration is respectfully requested in view of the following comments and attached evidence.

As shown in the attached copies of the Utility Patent Application Transmittal (Exhibit A), PTO stamped post card (Exhibit B), and Official Filing Receipt (Exhibit C), five (5) sheets of drawings were originally submitted with the application papers on August 28.

However, based on the undersigned's review of Applicants' file record, it appears that the figure shown on original sheet 1/5 was erroneously submitted without any figure number printed thereon. The remaining sheets 2/5 – 5/5 were properly labeled as corresponding with the other figures described in the specification, i.e., Figures 2-9. Applicants further point out that the view and numbered elements shown on sheet 1/5 clearly correspond to the description

provided in the specification for Figure 1. Notwithstanding the obvious error in not providing any figure number on sheet 1/5, Applicants contend that this figure is in fact Figure 1 as described, and therefore, was originally submitted as required by 37 CFR 1.53(b).

A substitute sheet 1/5 properly denoting the figure as "Figure 1" has been enclosed with this petition. Prompt and favorable consideration of this application is requested.

Respectfully submitted,

By:

NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Figure(s) **FIG: 1** described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabeled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.
